

Job Description – Assistant Coach, Para Archery

Position Assistant Coach – Para Archery

Location: Secunderabad, Telangana

Engagement Full-Time / On-Campus

Preference: Candidates willing to stay on campus will be strongly preferred.

Role Overview

The Assistant Coach will support the Head Coach in delivering structured, high quality **Para Archery training** and ensuring effective day to day implementation of the programme.

The role requires close interaction with athletes and regular coordination with the Head Coach to monitor training, technical development, performance and competition preparation.

Key Responsibilities

- Support the Head Coach in conducting **Para Archery training sessions** and implementing training plans.
- Coordinate individual practice schedules and provide additional training support where required.
- Monitor and record athlete **attendance, technical development, performance and training progress**.
- Provide regular updates to the Head Coach on athlete progress, challenges and areas for improvement.
- Provide day to day guidance to athletes regarding training schedules, practice routines and discipline.
- Assist athletes with **technical practice, equipment handling, setup and preparation** as guided by the Head Coach.
- Support athlete assessments, practice sessions and competition preparation.
- Ensure smooth day to day functioning of the training programme and maintain discipline at the training facility.

Desired Profile

- **3–5 years of experience in Archery coaching or competitive Archery**, preferably in Para Archery.
- National or International level playing/coaching exposure will be preferred.
- Experience with **Recurve, Compound Archery and Indian bow**
- Understanding of **Para Archery rules, classifications and adaptive requirements**.
- Experience in athlete training, **performance tracking** and competition preparation.
- Strong communication, coordination and athlete handling skills.
- **Recognized Archery coaching certification preferred.**

Competitive Background

Candidates with experience participating in National or International level competitions will be preferred.

Exposure to events such as **Commonwealth Games, Asian Games, World Championships, Asian Championships, Paralympic-related competitions** or other recognized **national/international** competitions will be an advantage.

Campus Availability

Candidates willing to stay within the training campus at Secunderabad will be strongly preferred.

The position requires regular day to day interaction with athletes and close coordination with the Head Coach. Campus based availability will therefore be considered an important advantage during selection.

Ideal Candidate

A dedicated Archery professional with 3–5+ years of experience, National/International competitive exposure, preferably Para Archery experience, and a willingness to stay on campus and work closely with athletes and the Head Coach on a day to day basis.
